To All FYC Members:

The Nominating Committee is in the process of meeting to select nominees for open positions in 2021 for the FYC Bridge, Board of Governors, Membership, Long Range Planning and Harbor committees. Eligible nominees for elected committees must be equity members in good standing with the club.

Non-elected committees on which you, or the spouse/significant other of a member, can serve are Buildings & Grounds, Entertainment, and Race & Regatta. Other special committees can be established and appointed by the Commodore.

Each year the Nominating Committee, members of other committees, and members in general hear "I'd like to serve on a committee, but I wasn't asked". Now is your opportunity to be heard. Whether you want to serve in 2021 or in a later year, the Nominating Committee would like to hear from you. We want to start a running list of members who would like to serve on a committee, again, whether in 2021 or later, consult that list for our deliberations, and then pass the list to future nominating committees.

The FYC Bridge consists of the Commodore, Vice Commodore, Rear Commodore, Fleet Captain, Fleet Surgeon, and Secretary.

The Board of Governors consists of seven members, is a 2-yr term, and meet monthly, generally the Monday before the monthly membership meeting.

The Harbor Committee consists of six members, meet monthly, and is a 2-year term.

The Membership Committee consists of nine members, meet the second Wednesday of each month, and is a 2-yr term.

The Long Range Planning Committee consists of nine members, meet at the direction of the Commodore or Board of Governors, and is a 3-yr term.

Whether you would like to serve in an elected position or on one of the appointed committees, we want to hear from you. If you are interested in

Remember, FYC is a volunteer organization and it takes everyone to keep our club the great club it is.

We look forward to hearing from you.
